Re: Scope Determination of Wooden Cabinets and Vanities and Components Thereof from the People's Republic of China: Response to Request to Extend the Final Comments and Rebuttal Comments

TO: ALL INTERESTED PARTIES:

From October 6, 2023, through October 10, 2023,¹ the U.S. Department of Commerce (Commerce) received letters requesting an extension of time to submit case and rebuttal briefs with respect to the deadlines established in the post-preliminary analysis.² The current deadlines are October 12, 2023, for case briefs and October 19, 2023, for rebuttal briefs. In their letters, parties requested extensions of the case brief deadline to October 26, 2023.

We considered the reasons for an extension of time and find good cause exists to extend the deadline. However, given the guidelines governing this scope inquiry, we can only provide an extension **in part**. Accordingly, the deadline for submitting case briefs on the post-preliminary analysis is now **no later than 5:00 p.m. Eastern Time on October 19, 2023**, and the deadline to submit rebuttal case briefs on the post-preliminary analysis is now **no later than 5:00 p.m. Eastern Time on October 26, 2023**.

Should you need further assistance or information regarding this proceeding, please contact Michael Romani at (202) 482-0198.

Sincerely,
